OPINION LETTER NO. 88-2015

The Honorable Nicole Galloway
Missouri State Auditor
State Capitol, Room 121
Jefferson City, MO 65101

Dear Auditor Galloway:

This office received your letter of June 10, 2015, submitting a fiscal note and fiscal note summary prepared under § 116.175, RSMo, for an initiative petition submitted by John Ashcroft (16-064). The fiscal note summary that you submitted is as follows:

The proposal will result in no direct costs or savings for state and local governmental entities. If the state legislature passes a general law as allowed by this proposal the potential costs or savings would be based on the legislation established, which is unknown at this time.

Under § 116.175.4, RSMo, we approve the legal content and form of the fiscal note summary. Because our review of the fiscal note summary is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the initiative petition or as the expression of any view regarding the objectives of its proponents.

Very truly yours,

A handwritten signature in blue ink that reads "Chris Koster".
